2. GSC - Change Order Requests

Please find the attached Change Order Requests for City Council's review and approval. This results in Change Order 23 – City Hall in the amount of \$14,233.06; and Change Order 24 – Police Facility in the amount of \$39,101.31.

- COR 069 – City Hall: Add \$8,428.68 to restore the historic decorative paint (stenciling) at the cornice line in the courtroom. The current documents include preservation of the small existing intact area of stenciling in the northwest corner of the room. The plasterer has kindly offered to prepare and turn over the stencil at no cost for the City's use if this COR is declined. This is an owner request.
- COR 077-R1 – City Hall: Add \$2,228.36 to install plaster behind the removed chalkboards. It was not known that there would be no plaster behind the chalk boards. This is an unforeseen condition.
- COR 092 – City Hall: Add \$3,082.89 to install a drain box and water line for the owner-supplied drying cabinet in the Evidence Room. This was omitted from the bid documents, not included in the original bid, and is an added value.
- COR 094-R2 – Police Facility: Add \$20,404.64 to add tv monitors in the Clerk's Office and Captain's Office; to add power and data floor boxes in the new Tactical Room (former exercise room); to add power and data for the Axon equipment; and to add power and data floor boxes in the Training Room for powered work tables. This is an owner request.
- COR 102 – City Hall: Add \$2,613.48 to install a steel lintel over exterior Door C19B. The steel allowance has been exhausted.
- COR 104 – Police Facility: Add \$1,117.08 to install a drywall bulkhead over the mesh partition in Evidence Storage. There was a concern that objects could be tampered with through the 18 ½" clear space between the top of the partition and ceiling. This is an owner request.
- COR 106 – Police Facility: Add \$5,256.54 to install 4 concrete benches at the north patio area outside the Training Room. These and the lighting are shown on the electrical plans but not on the architectural site plan. This is an omission from the arch drawings, were not included in the original bid, and are an added value.
- COR 107 – City Hall: Add \$962.54 for 2 speakers in the transaction windows in 214. These were shown in the elevations, but not tagged. They were not included in the original bid and are an added value.
- COR 108 – Police Facility: Add \$9,240.16 for electrical and data rough-in for future gate/fence controls. The installation of the designed fence is \$115,113.35.

Action	Make a motion to approve Change Order No. 23 and Change Order No. 24.
Recommendation	These have been reviewed and found to be acceptable by the

project team.
