

Opened  
2009

In the spring of 2008, construction began on the new City Library. The 20,000 square foot facility features private study rooms, Kansas History room, Story-time room, FEMA Storm Shelter, and meeting space. The facilities hosts many activities as well as local meetings for civic groups. The building held its grand opening on July 12, 2009. A host of residents, library users, local delegates and project Architects and Contractors attended the ceremony. The Architecture firm who designed the facility was GLPM Architects out of Lawrence. The General Contractor was Altmar Construction from Topeka Kansas.
