

## **Bonner Springs Aquatic Park Private Rental Packet**

Thank you for taking interest in renting our facility! We can ensure you that this is the place to have your event. The Bonner Springs Park is a great place for fun and laughter to take place. Before scheduling, please review our rental rules and regulations.

### **BSAP Rules and Regulations**

When it is time for your rental to begin, please come to the admissions office to sign in.

- If you are renting the facility including slides: The lifeguards and manager will have to measure for anyone 48” or taller and give a wristband indicating they are allowed to ride the slides.
- If you are renting the facility including the diving boards: Any patron wanting to use the diving boards under the age of 12 will have to complete a swim test given by the lifeguards or manager.

#### **Low Dive**

1. Any diver age 12 or under must past the Deep Water Swim Test before using the low dive board.
2. One person at a time on the diving board. Divers must wait on the ground until the first diver is in the water. Once the first diver has exited the water, then the second diver may proceed.
3. Walk to the end of the board and only one bounce.
4. No swinging on the rails.
5. Only divers are allowed in the diving well.
6. Divers must be able to swim to the ladder by themselves; please use the nearest ladder to exit the diving well; do not use the wall.
7. No goggles (suctions cups), toys, or other items are allowed in the diving well.
8. Divers must perform safe jumps and dives off of the board.

#### **High Dive**

1. One person at a time on the diving board. Divers must wait on the ground until the first diver going up the ladder is in the water. Once the first diver has gone off, the second diver waiting may start to go up the ladder. The second diver must wait to jump off until the first diver has exited the water.
2. Once a person has gone up the ladder and onto the board they must go off the board. If they have an issue, they must call for help and have a lifeguard, or any manager help them down.
3. Walk, not run to the end of the board and only bounce once.
4. Divers must be able to swim to the ladder by themselves using the nearest ladder to exit.
5. No goggle, toys, or other items are allowed in the diving well.
6. The diver must perform safe jumps and dives off of the board.

### **Basketball**

1. No grasping or hanging on the rim, and no rough play.
2. Players must be in the water to participate.
3. No throwing the ball from across the pool. Ball must remain in the basketball area.

### **Slides**

1. Riders must be 48” to ride. **No exceptions.** Participants will be measured prior to riding. Per the manufacturer. The threat of disorientation after entering the water is the reasoning behind this rule. The catch pool is 42”, which means someone 48” is more likely to recover after disorientation than someone under this height, given the depth of the catch pool.
2. The lifeguard will issue the signal when the rider may start the ride.
3. Maximum rider weight is 300 pounds. Per the manufacturer.
4. Swimwear with exposed zippers, buckles, rivets, sunglasses and jewelry are not permitted. These pieces can scratch the slide; get caught in the joints and fall in the water. Per the manufacturer.
5. Riders must exit the splash pool immediately. Red slide exit at the stairs, yellow slide exit at the ladder. Participants need to be able to swim to the exit and recover by themselves.
6. Must ride feet first, sitting or lying on the back.
7. No trains are allowed!
8. Do not run, dive, stand, kneel, rotate, or stop on the slide. Keep arms and legs inside the flume at all times.
9. No shirt, shoes, goggles, lifejackets, toys or other items are allowed on the slides.

### **Zero Depth and Play Units**

1. Play units reserved for youth nine (9) years and younger.
2. Remain seated on the floatables. No standing, jumping or diving.
3. No pushing or pulling others off the floatables.
4. There will be no running or playing tag in this area.
5. Anyone abusing this area as a family-friendly area will be asked to leave.
