Auto Burglaries and Thefts

Within the past two weeks approximately seven autos have been burglarized and approximately four vehicles have been stolen in Bonner Springs. In three of these instances the suspect(s) also entered the residence usually via garage door openers left in the unlocked cars. The suspect(s) appear to be targeting vehicles that have been left unlocked. We are urging everyone to lock their vehicles and to keep all valuables out of sight if they are left in the car.

Anyone with any information regarding these crimes is asked to call the Bonner Springs Police Department at 913-422-7800.

There is nothing further to report at this time.
