Agenda Item # 4– SUP-6-22 – Consider a request for approval of a Special Use Permit to allow for the installation of a screened storage container for use in the “relay lot” at Old Dominion Freight Lines, 12900 Speaker Road.

Chair Gebauer introduced New Business Item #4 and called for a staff report.

Staff reviewed the report stating that the applicant was requesting approval of a Special Use Permit to allow for the installation of a screened storage container for use in the “relay lot” at Old Dominion Freight Lines, 12900 Speaker Road.

Staff stated representatives from Hoyt & Berenyi and D.F. Chase were present on behalf of Old Dominion Freight Lines, if the Commissioners had any questions of them. Staff gave a brief summary of the location and zoning of the property and provided images of what the container would look like along with plan drawings of what the surrounding decorative wall would look like. Staff explained the use behind the storage container, it houses electrical equipment

for the relay lot along with minor/routine maintenance items for the drivers. Staff explained the only visible portion would be the front and it would only be visible from the interior of the relay lot.

Chair Gebauer asked if any Commissioners had questions of Staff. Commissioner Zeps asked for clarification on the Staff recommendations. In the staff report it stated there were seven conditions for approval but only five listed. Staff stated this was a typographical error and there were in fact only the five listed conditions. Commissioner Zeps asked for clarification on staff recommendation number one (#1); the recommendation read 'Special Use Permit shall be valid in perpetuity, Commissioner Zeps felt as though this contradicted with recommendation number two (#2). Staff stated this was standard language that had been placed into long running Special use Permit approvals in the past.

Chair Gebauer asked if the applicant had any questions or comments, there were none, Chair Gebauer asked if the Commissioners had any questions of the applicant; being none Chair Gebauer asked for a motion. Commissioner Mesmer made a motion to **APPROVE** the Special Use Permit with staff recommendations as presented, Commissioner Perica **SECONDED**. Commissioner Zeps spoke in regards to the language of recommendation number 1; Commissioner Mesmer rescinded his motion. Commissioner Zeps made a motion to **APPROVE** the Special Use Permit with the following amendment to staff recommendation number one:

1) Special Use Permit shall be valid in perpetuity, subject to the following recommendations

No other recommendations were altered with this amendment

Commissioner Neff **SECONDED** the motion by Commissioner Zeps

Chair Gebauer called for a vote.
