14-205. Conflict With Other Ordinances or Statutes. Nothing in this Code shall be construed to prevent the enforcement of other ordinances of this City or statutes of the federal government or the State of Kansas which provide more stringent requirements than this Code.

14-206. Severability. Each separate provision of this Code shall be deemed independent of any other provision of this Code, and if any section, provision, sentence, clause, or part thereof is held illegal, invalid or unconstitutional, or inapplicable to any person or circumstance, such illegality, invalidity, unconstitutionality or inapplicability shall not affect or impair any of the remaining sections, provisions, sentences, clauses or parts of this Code, or their application to other parts or circumstances. It is hereby declared to be the legislative intent of the Governing Body that this Code would have been enacted as if such illegal, invalid or unconstitutional section, provision, sentence, clause or part had not been included therein, and as if the person or circumstances to which this Code, or any part thereof, is inapplicable had been specifically exempted there from.
